

## **ACKNOWLEDGMENTS**

Many thanks to all those persons at Division One of the Fourth Appellate District, the Superior Court of San Diego County, the San Diego Public Law Library, and the Administrative Office of the Courts who edited, proofread, made suggestions, and provided support for this endeavor. Special thanks to Julie Roulette and Amy Johnson Barks, who while externing at the court wrote, edited, asked questions, and made suggestions that made this manual much better than it otherwise would have been.—
